Reflection

There is a temptation in the religious realm and even societal realm to believe we have what we need to be complete and whole. There is little another person, especially one on the margins, could teach us about how to act, how to behave, or anything about God.

That is precisely how the people of Nazareth behaved with respect to Jesus. They thought they understood who he was. They knew his family, his backstory. What more did they need to know? In their minds this upstart was too big for his britches. They took offense at him. Yet, God was effectively in their midst.

May we be open to finding the new, the unexpected, in what is familiar to us. We should not grow too familiar that we fail to see the presence of God in our midst.

Thank you for your generous support in last week's Peter's Pence Collection! Our contributions will be combined with those from our brothers and sisters around the world to help Pope Francis provide essential relief to people in need. If you missed the collection, it is not too late to give, visit www.usccb.org/nationalcollections, and click on the "How to Give" link.

As you consider your offertory/pledge giving, we remind you that we offer **Electronic Giving** as a way to automate your contributions. It is convenient for you and provides much-needed consistency for the parish. Collection basket contributions can fluctuate significantly from week to week, especially in the summer, but when contributions are automated, the church receives funds on a steady basis. Electronic giving helps us forecast, with confidence, the level of financial support our parish receives in the year ahead. Forms are available in the Narthex or email info@stmm.net and a form will be emailed to you.

Now is the perfect time to become a registered parishioner of St. Mary Magdalene! Once you are registered you will receive a Welcome Packet in the mail and will be added to the Email Distribution list to receive our 'almost' every week E-News!

Do you receive Father Staib's E-News? If not, let us add or update your email address in the StMM directory for online communication. Email info@stmm.net and we can add or update our Email distribution list.

Fetal Development of Abigail—Soon Abigail will be able to grasp with her hands. What will she grasp? Her other hand! She has her own unique fingerprints now. Her fingernails and toenails are growing. She also has an adult's taste buds. Her eyebrows and hair on her head are sprouting. But it will probably change color and texture after birth. She is kicking, twisting, and flailing really hard. But, Mom can't feel Abigail moving in the womb – yet. *"They will see the glory of the Lord, the splendor of our God."* (Isaiah 35:2)
