New Church Update

April 7, 2016

A Note From Father Donald Staib

Members of the Parish,

Ground preparation continues; it is a long process. Soon it will be necessary to take away some of the parking spaces we have. We know that will not be convenient, but that is where the church entrance will be. Many additional spaces will become available in the new configuration.

Here is a video of the process of construction in fast motion:

The Chapel [The 47%]

We have included the chapel in the construction plans, but it is not yet in the budget. There are many in the parish who have not yet made a gift or pledge for the church - 47% is the number of not-yet-donors. If you are one of them - know we now need your help. We welcome your help. Join the 53% who have already been generous.
