## New Church Dome

August 12, 2016

### A Note From Father Donald Staib

Members of the Parish,

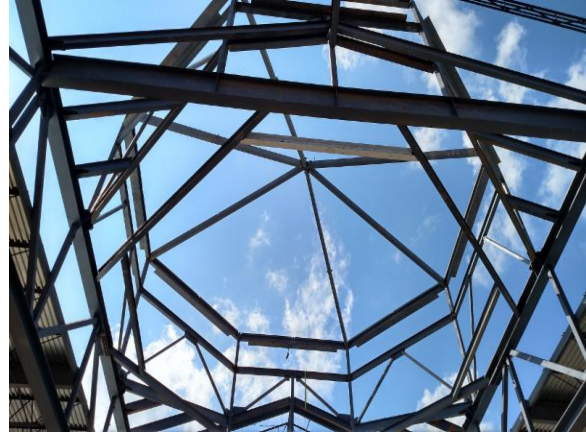

This Sunday at 4 pm we will have a Mass to welcome our students at StMM back to school. Mass will be followed by refreshments and a visit with their teachers. May 2016-2017 will be a wonderful year to learn. Students will certainly be able to see the growth of the church building from a shell to the almost finished product.

## 2nd Collection

From the young to the old - this week is our annual 2nd collection to make contributions to the retirement fund of our own Diocese of Raleigh priests. I -- and those priest friends close to me in age -- thank you. Someday the younger clergy will also appreciate your kindness.

## New Dome

The steel structure of the dome is now in place. The two white beams with your signatures on them are up there. Here is an inside view and an outside view:
