

E-NEWS – Ribbon Ceremony – January 14, 2015

Members of the Parish & School,

Last weekend we had the wonderful announcement that we can commence with the construction of our church. In Advent 2014 Bishop Michael Burbidge joined us for the blessing of the land. But it has taken longer than we expected to come to this day.

We will have a ceremony after all the Masses this weekend. On the table in the lobby there will be ribbons and some Sharpie pens. Each family is invited to write the names of all the family on a ribbon and then take the ribbons up to the woods where there is a cross. The cross is the location of the altar in the new church.

On Saturday there will be lights for us to see. The terrain is a little rough, so use appropriate shoes. If you are not able to walk to the woods, ask me or someone to take your ribbon for you.

Members of the Parish Council, members of the Knights of Columbus, and other volunteers will help you to fix the ribbons on the cross. There will be refreshments there for you.

After construction begins [we do not have that date yet, but it will be soon] we will bring the cross with ribbons to the lobby where it will be on display.

All are welcome

Rejoice and be glad! - Father Donald Staib
