New Church Update & Parking May 19, 2016

A Note From Father Donald Staib

Members of the Parish,

There is not much new to see from this past week, although a large amount of cement was poured for the foundation. Our weather was not greatly cooperative again. The large blue pipes you see on the parking lot will be used underground to bring to us warm and cool air in the church. Be prepared for a disruption in the last parking bay for some time.

We continue to ask members of our parish who have not yet made a pledge or gift to the new church to do so now. We have particular need to complete the Chapel and some other items we have had to defer. Your gift will be a big help in this time of our need and your opportunity. Please consider a pledge of \$5,000.

Parking Challenges

For those who park on Village Commons [the back door to the gym] please be careful to park close to the curb and not block people who live there from their driveways and homes. And allow for space for cars to get through.

Congratulations to 8th Grade Graduates

This past Friday at St Mary Magdalene School we graduated 81 students in our 16th 8th grade class. It was a pleasure to be with these students each day. Having students in my workplace is always enjoyable and makes for a lively experience. We wish our graduates happiness and blessings as they move on to their high school years.

Each year since 2008 the graduating class has made a \$500 donation to our church building fund. Presuming the class of 2017 also contributes we will be able to acknowledge a total of \$5,000 and place an acknowledgment on our Memory Wall in the lobby of the new church.

Memory Wall

In the next month or so we are going to begin this Memory Wall on the bulletin board in the lobby. This is a delicate task and it will take some weeks to complete. All those who have given so far at the \$5,000 level and higher will be acknowledged. We hope this acknowledgment is encouraging to others to begin contributing to our building task.

The Memory Wall that will be eventually in the lobby of the church is not yet designed. Our efforts on the gym lobby bulletin board is part of our efforts to get it right when the construction is completed.

Holy Trinity

A word about the feast of the Holy Trinity: the mystery of God is not a theory to be explained but an invitation to participate in the dynamic of love.

THE NEED

To produce Catholic media and resources that will resonate with everyone: young women, young men, parents, youth ministers, etc. It is incredibly powerful for teens to have a voice, share their struggles together, realize they are not alone, and to show how many other teens are struggling with the same issues, such as body image, the pressure to be perfect/ successful, dating, relationships, battles with lust & pornography & more.

THE VISION

We hope to provide resources that will be a launch pad for authentic conversations in homes, youth groups/small groups, & schools. Our vision is for these conversations to provide an alternative message to the one they are hearing through their culture and will help each teen believe in & remain firmly rooted in their identity as a beloved son/daughter of God.

THE GOAL

In addition to your heartfelt prayers, we are in need of \$50,000 to see this series come to fruition. Our goal is to have the first documentary, Pieces of My Heart, out to you by the end of this year, with the Fire Within and the parent/family resource releasing sometime in 2017.

**Looking forward to linking arms, uniting voices and growing the Kingdom.
God Bless to you and your families.**
