A Note From Father Donald Staib

After the Sunday Masses this past week I went away with some of my family for a few days at the beach. The scenes of the Dedication last Saturday and the baptisms on Sunday revolved in my mind.

The generous service of all who helped in getting ready for this day was outstanding. Thank you all so much. And again, thank you.

Some of the Stations of the Cross from Vietnam came with bumps and bruises. Thanks to Bob Reardon, who at the last moment repaired them and then devised a way to hang them before the Dedication. Below are some pictures from the Dedication.

Notes on the New Church

Many thanks to all who have made the new church a reality for our parish. We still have cash flow challenges - so we welcome additional gifts, the larger the better. But all gifts are gratefully accepted.

You have noticed some portions of the building are not complete; and we have no furnishings or window treatments at this time. So we have lots of opportunity to use new donations.

Reflection

Prayer of Church Dedication

Father in heaven, source of holiness and true purpose, it is right that we praise and glorify your name. For today we come before you to dedicate to your lasting service this house of prayer, this temple of worship, this home in which we are nourished by your word and your sacraments.

Here is reflected the mystery of the Church.

The Church is favored, the dwelling place of god on earth: a temple built of living stones, founded on the Apostles with Jesus Christ as its corner stone.
