St. Mary Magdalene E-News November 3, 2017

A Note From Father Donald Staib

November began Wednesday - it is the month we remember those who have died. Among the dead are members of our family, our friends, those who have helped to provide for us the enjoyments of our lives. May God give them rest and peace.

I will be available for the Sacrament of Reconciliation on Sat, Nov. 4th about 10:30am, when I am finished with Baptisms. I will be in the Reconciliation Room on the south side of the Church. I will try to offer this time as often as I can.

ALSO DURING NOVEMBER - PRAYER FOR VOCATIONS

God our Father, You made each of us to use our gifts in the Body of Christ. We ask that You inspire young people whom You call to priesthood and consecrated life to courageously follow Your will.

Send workers into Your great harvest so that the Gospel is preached, the poor are served with love, the suffering are comforted, and Your people are strengthened by the sacraments.

Now That The New Church Is Completed!

We have the obligation to make large monthly payments for 15 years - and we are challenged to respond to new parish endeavors brought about by our new building.

Here is a snapshot of the giving patterns of our parish during the past 12 months for Offertory [payments on pledges to the new church is a separate account]. The amounts below are the sum of all offertory received in the past 12 months.

12 over \$10,000	25 over \$6,000	35 over \$4,000	85 over \$2,000
345 over \$1,000	300 over \$500	382 over \$100	155 over \$3.00

We are so grateful to those who have helped us. We are blessed with generous people who provide for our ministries and buildings.

As careful administrators of people's gifts, each year we review our membership rolls. One item that is easy to analyze are the gifts to the parish. We could not find a record of any gift in the past 12 months for about 325 names on our current list.

We have written these folks recently - snail mail - asking their intentions to continue membership in the parish. If we do not hear back in a reasonable time, we will remove them from our active list.

Reflection

In today's Gospel, the misuse of power is central to Jesus' teaching where he speaks forcefully about the good use of power as compared to its opposite.

Good power, Jesus passionately argues, embraces a selfless, benevolent dimension. It involves the sharing of burdens, not the imposition of millstones around the necks of others.
