### **Attendance Policy:**

To prepare for Confirmation, candidates must complete two consecutive years of preparation during their high school years. In the Diocese of Raleigh, candidates usually receive confirmation in the 10th grade with preparation beginning in the 9th grade.

Participants in The Way are allowed to miss 5 meetings per school year (5 absences in year 1 of preparation; 5 absences in year 2). Attendance is recorded weekly. No distinction is made between "excused" or "unexcused" absences. Participants who miss more than 5 meetings in a school year will be deferred for Confirmation and will need to make-up any excessive year 1 or year 2 absences during a 3rd year of confirmation preparation. After making up the absences in a 3rd year of preparation, the candidate will be eligible for Confirmation. Excessive absences cannot be made-up by completing work at home.
